Children's OTC - UK

“The market has been impacted by parental reluctance to treat their child without professional help as well as reduced innovation. Encouraging parents to treat their children at home, by offering better advice, as well as raising their confidence in brands by better engaging with them using social media could encourage ...

Babies' and Children's Personal Care Products, Nappies and Wipes - UK

“The disposable nappy and personal care segments were the worst performers in the market in 2013. Encouraging consumers to switch back to brands, and move away from savvy shopping techniques will be essential for returning the categories to growth.”

Soap, Bath and Shower Products - UK

“Lifestyle factors present long-term considerations for the soap, bath and shower market with bathing habits changing. A daily shower is becoming increasingly popular as consumers move away from time- and money consuming bathing, despite its relaxing appeal.”

Deodorants and Bodysprays - UK

“This is a category where brand name prevails and own-label is held with scepticism. With long-lasting being the most important product attribute, consumers are more trusting of brands to deliver long-lasting protection. However, products not lasting as long as they claim to is the biggest product frustration, suggesting that using ...
