#### Car and Van Hire - UK

“Short-term vehicle rental is a mature market and is facing increased pressure from new forms of access to personal transport. While hire companies are responding by adapting to these changed market conditions, our research suggests that focusing on key user groups is needed so as to maximise available opportunities.”

### November 2019

#### Consumers and the Economic Outlook - UK

“Brexit has been delayed again. The public faces a Christmas general election. And the economy narrowly avoided a recession in September. It is no wonder, then, that consumer confidence has taken a hit. However, financial well-being is holding up and the vast majority of people think they’ll be OK in ...

#### Car Aftermarket - UK

“The car parts aftermarket is showing signs of value growth helped by a shift towards premium products in the tyre sector and continued pressures on imports. Yet despite this the car sector is passing through a difficult period. Sluggish new and used sales have combined with a dip in confidence ...
