

**December 2019****B2B Economic Outlook - UK**

“Despite the uncertainties surrounding Brexit, the UK economy has only slowed to equate to the growth of the Euro-area, and the Bank of England still anticipates stronger growth than the Euro-area over the next three years. The Brexit-related uncertainties continue, and are now potentially exacerbated by a General Election. They ...

**October 2019****Residential Care for the Elderly - UK**

“The lack of long-term funding plans and the outlining of potential solutions to problems in the wider social care industry will only lead to doubts over the provision of care to those already in the system and those who may need it in future.”

– **Lewis Cone, Senior B2B ...**

**Domiciliary Care - UK**

“Those operating in the industry are continually looking for new solutions with the main objective of being able to care for patients effectively in their own home. Domiciliary care providers who manage to offer personalised, affordable and clinically-led care solutions will be best positioned to gain opportunities from the ever-ageing ...
