### Consumers and the Economic Outlook: Quarterly Update - US

"With a new administration, a growing economy, and a relatively healthy jobs market, this Report addresses how consumers are feeling about their current financial situation. Through a series of questions that will be asked throughout 2017, Mintel has aggregated consumer opinion on their current finances, how they hope to improve ...

### Regional Tourism - US

The travel market remains strong as tourism spending by both Americans and international travelers grew by 8% from 2011-16 to reach an estimated \$944.2 billion. The market is forecast to grow by an additional 20% over the next five years, to surpass \$1 trillion by 2021. While transportation accounts ...
