### B2B Economic Outlook - UK

“One of the biggest challenges facing the economy is a surge in inflation. Rising inflation was widely expected to be transitory when global economies reopened in 2021. However, the conflict in Ukraine sent energy prices spiralling, which has raised long-term inflation expectations and increased uncertainty about the post-COVID-19 economic recovery ...

## March 2022

### B2B Economic Outlook - UK

“With economic growth likely to weaken in comparison to 2021 and inflationary pressures affecting businesses, both in terms of costs and staff recruitment, it is vital that strategies are in place in order to be able to ride out yet more market disturbances.”

– Lewis Cone, Senior B2B Analyst

## January 2022

### Civil Engineering - UK

“The government’s commitment to infrastructure spending as part of the economic recovery from COVID-19, the ‘levelling-up’ agenda and the need to progress towards Net Zero Carbon by 2050 should ensure sustained growth in the civil engineering sector over the coming years.

The government has pledged significant investment in the UK’s ...
