Music Tourism - International

Music tourism is not a clearly defined segment within the tourism industry. The United Nations World Tourism Organization (UNWTO), which develops comprehensive guidelines on various elements of the tourism industry, does not offer any criteria regarding what does and what does not constitute a 'music tourist'. What is relatively clear ...

Casino and Casino-style Gambling - US

The casino industry has enjoyed steady growth for the past several years. However, economic crisis is driving down consumer confidence, and this is among the primary factors impeding growth in 2008. Given increased competition and the consumer trend toward entertaining more at home, casinos will need to refine their offerings ...
