

April 2021**Waste Management and Recycling
- UK**

“The COVID-19 outbreak has delayed progress of the government’s waste and recycling reforms, which are seen as a much needed framework to reboot recycling and support the shift towards a more circular economy. While there remains a lack of clarity over the final design of proposed measures it’s important that ...

March 2021**B2B Economic Outlook - UK**

“The tentative dates set by the government to reopen the economy over the coming months provide hope that businesses are over the worst that the pandemic has brought them financially. However, it will still take time for things to return to pre-pandemic levels with businesses likely to still need support ...
