

March 2016

Bicycles - UK

"Participation among women has grown much faster than that among men but it is still significantly lower and there is considerable potential for developing the frequency with which women ride."

– **Michael Oliver** – Senior Leisure and Media Analyst

Casinos and Bingo - UK

"New venue concepts in the casino and bingo club markets are set to play a key role in shaping the future of both."

– **David Walmsley**, Senior Leisure Analyst

February 2016

Lotteries - UK

"Recent changes to Lotto pricing and formats look positive for market value growth, but operators are still trailing all other gambling sectors online. Instant wins could get them back in the game."

– **David Walmsley**, Senior Leisure Analyst

January 2016

Family Leisure - UK

"Women are significantly more likely than men to go out as part of a family group with their children, grandchildren, their own or partner's parents and other wider-family members. While this is partially a consequence of the fact that they are more likely to be involved in a primary childcare ...
