

June 2018**Consumers and the Economic Outlook - Quarterly Update - UK**

“The increase in confidence that we discussed in Consumers and the Economic Outlook – UK – March 2018 clearly wasn’t a one-off. Our confidence data has been running for almost a decade now, and people’s assessments, both of their current financial situation and how they expect their finances to shape ...

May 2018**The Connected Home - UK**

“The appeal of connected home devices is increasing as second-generation products improve functionality and devices are released that cover broadening price points. Voice-controlled speakers have emerged as the main controller for the connected home, but whilst many products can now receive commands from these digital assistants, consumers still need convincing ...

April 2018**Social and Media Networks - UK**

“While there is a trend towards cutting down on social media use, more people than ever are using social networks and the vast majority are sharing content. Platforms more popular with younger demographics must strike a balance between maintaining a cool brand image and continuing to cater for long-term users ...

Digital Trends Quarterly: AI and Automation - UK

“The fact that digital assistants like Alexa or Siri are the most likely of the AI-based or automated products or services that people would use is a reflection of the extent to which voice controlled speakers like Amazon Echo and Google Home have quickly captured the public’s imagination. Smartphone-based digital ...
