### Online Product Discovery: Beauty and Personal Care - US

"How consumers discover and engage with new products continues to evolve. Digital channels and tools have become essential to the modern consumer journey. Moving forward, curated content and product assortments, together with features that offer ease and control will be critical in driving discovery for beauty and personal care products ...

### Consumers and the Economic Outlook - US

“Despite yet another COVID-19 variant, the US economy ended 2021 in good shape, with rising consumer confidence and unemployment rates that fell to a pandemic-era low. Alongside the strong economic gains, consumers’ financial situations also continued to improve, with most remaining optimistic about their finances going into 2022. As the ...
