

**May 2023****Circular Shopping - US**

"Circular shopping options are becoming increasingly attractive due to their financial and environmental benefits. Additionally, perceptions around ownership are shifting – with more and more consumers looking for flexibility and the stigma of buying secondhand decreasing. But it's not just about practicality – consumers are also drawn to these ...

**February 2023****Consumers and the Economic Outlook - US**

"Cooling inflation and a solid labor market are likely the direct contributors to consumers' positive outlook entering the new year. With further rate hikes and unemployment projected to rise, revisiting these sentiments six months from now – which is when experts project the US to enter a mild recession – ...
