The Over-65s and Financial Services - UK

"The over-65s have significant spending power and financial knowledge that they share with other family members. However, they are often overlooked by financial services providers, or marketed to via patronising representations of how life should be at this age. Recognising the diversity of financial needs among this age group is ...

Consumers and the Economic Outlook: Quarterly Update - UK

"The snap election clearly unsettled consumers. All three of our measures of sentiment fell between April and May. And the inconclusive result means that there was no immediate bounce in confidence post-election. Instead, our data shows that people were even more concerned after the results were announced than they were ...
