

June 2018**Consumers and the Economic Outlook - Quarterly Update - UK**

“The increase in confidence that we discussed in Consumers and the Economic Outlook – UK – March 2018 clearly wasn’t a one-off. Our confidence data has been running for almost a decade now, and people’s assessments, both of their current financial situation and how they expect their finances to shape ...

April 2018**Mortgage Advice - UK**

“Consumer interest in online advice is positive, but many are unsure whether it can completely replace speaking to an adviser face-to-face. Advisers looking to launch online advice services would benefit from continuing to offer consumers choice in how they complete the advice process, such as being able to arrange a ...

Car Finance - UK

“The number of car finance contracts for new cars decreased in 2017, in the first period of real struggle since the market exploded at the start of the decade. In part, this is due to the cyclical nature of the product, with recent customers mid-contract and likely to return to ...
