Travel Money - UK

“With the holiday market growing and strong forecasts for overseas expenditure, the travel money market has a positive outlook. However, the commoditisation of the sector and consumers’ continued pursuit of value for money makes it a challenge for brands to maintain market share if they don’t keep up the best ...

Mortgages - UK

“As the population ages and many can only arrange a mortgage later in life, lenders must prepare to adapt to change in terms of market dynamics and customer profile. Removing barriers to purchase is set to characterise the market over the coming years.”

Secured Loans - UK

“Secured loans are experiencing a revival, following a dramatic decline in sales a few years ago due to the impact of the financial crisis. The market faces regulatory overhaul in 2016, which will bring greater attention to secured loans and change the way these products are viewed by both brokers ...

Unsecured Loans - UK

“The unsecured personal loans market is expected to have grown by 12% in 2015, with easing credit conditions and growing consumer confidence leading to an increased demand for credit. However, peer-to-peer lending platforms are making waves in the market, with consumer awareness and consideration growing for these products. This will ...
