

**March 2021****Travel Money - UK**

“Travel money providers have suffered an unprecedented drop in demand over the last year, and their future prospects are reliant on recovery in the wider travel industry. This should begin in the second half of 2021 but disruption will persist beyond this. Consumers are seeking flexible solutions that offer reassurance ...

**Consumers and the Economic Outlook - UK**

“GDP grew by 1.0% in the final quarter of the year as the economy bounced back more strongly than in expected in December, following the dip in November caused by the second lockdown of England and other lockdowns and restrictions in various parts of the country. Despite this slight ...

**February 2021****Unsecured Loans - UK**

“COVID-19 has had a profound impact on the unsecured loans market. Lending has been slashed as opportunities for consumers to make major purchases requiring credit have been severely reduced due to lockdowns and other COVID restrictions. However, the outbreak has also given lenders a chance to improve perceptions by supporting ...

**Credit Monitoring - UK**

“The credit monitoring market continues to show impressive growth, largely driven by frequent users. Applying for credit is no longer the main reason to check credit scores, with a growing number now using these services as an indicator of financial wellbeing or to check for fraudulent activity. COVID-19 has the ...
