

December 2018**The Amazon Effect - US**

Amazon is the world's second largest retailer behind Walmart, with \$120 billion in US sales in 2017, up 71% in two years' time. This one company accounts for approximately 40% of total US ecommerce sales. Its membership program, Amazon Prime, surpassed the 100 million member mark globally this year, and ...

**Natural and Organic Personal
Care Consumer - US**

"Natural brands continue to experience growth, albeit in a new direction. Clean beauty is the new green, with consumers looking for beauty products free from specific synthetic ingredients rather than synthetic-free. To expand consumer penetration of these products and advance sales growth, brands are going beyond formulations and making efforts ...

October 2018**Ingredient Trends in Beauty - US**

"The beauty market is very diverse with a wide array of product offerings that make one-size-fits-all marketing an impossible task. Ingredients are a way brands work together cross-category, with many brands looking to other segments (ie food, supplements) for inspiration. Specifically, younger women aged 18-24 exhibit heavy involvement in ingredient ...

Skin Protection - US

"Adults recognize that sun exposure has a negative impact on the appearance of their skin, and the majority of adults use sunscreen, tanning products, or sunless tanners. However, the category continues to be challenged by seasonal use. Industry players are further challenged by competing personal care products that offer sun ...

**Consumers and the Economic
Outlook - US**

"The economy continues its slow and steady recovery, though economists are hesitant to say that it has officially recovered. While some consumers may be watching economic indicators, many are not, and even those who are may not see the direct effects on their daily lives. Overall, if consumers were already ...
