## IP and Licensed Merchandise - China

“With growing confidence and interest in Chinese culture among consumers, Chinese IPs have witnessed decent development by riding the guochao trend. What's more, mystery boxes, an innovative marketing and sales approach, have opened up a new avenue for IP commercialisation. It is essential that IP creators and operators, both international ...

## Omnichannel Retailing - China

“Consumers have established ways of shopping and searching for information across different channels. Online channels' penetration is slowing down, while offline channels are gaining footfall. At this moment, brands and retailers should shift the focus to enhancing shopping experiences for consumers and cultivating customer loyalty by maintaining consistency across key ...
