Consumers and the Economic Outlook - Quarterly Update - UK

“People are still wary about the potential impact of Brexit – particularly when it comes to the cost of living. But people seem able to separate these macro-economic concerns from their own personal financial situation. Unemployment remains at record lows, and while average wages are still increasingly more slowly than ...

Health Food Retailing - UK

“The health food specialists have capitalised on the health and wellbeing trend but it hasn’t been easy as supermarkets and online players have increasingly muscled in on the market. The most important factor for specialists is trust, both as a way to combat the threat of the competition but also ...

Baby Food and Drink - UK

“With the income squeeze likely to further boost the popularity of homemade food, it is imperative for manufacturers to convince consumers that their products are worth paying more for. Highlighting ingredient provenance would help to project an image of quality and transparency, much needed given parents’ low trust in brands ...

Cakes, Cake Bars and Sweet Baked Goods - UK

“While this is a mature market in terms of overall usage, most people do not treat themselves to cakes and sweet baked goods that often, with scope for increasing frequency of usage. A mixture of activity is needed to appeal, as a broad spread of attributes are important to people ...

Pasta, Rice and Noodles - UK

“Convenience and value for money remain key strengths for the category and should support the market if inflation remains high and consumer incomes are

Online Grocery Retailing - UK

“The smallest and quickest-growing aspect of the grocery market, online grocery is a sector that has seen a vast number of innovations in the past year as it strives to evolve to cater not just for big-basket supermarket-style shops but also for smaller top-up-based shops.”

Brand Overview: Food - UK

“Expectations of brands and the categories they are in key to consumer perceptions. Breakfast cereals are a clear example of this. Health standards set by certain brands impact upon the way in which other brands that do not match up are viewed. Conversely, brands in treat categories largely avoid being ...

The Leisure Outlook - Quarterly Update - UK

“Although participation in many leisure activities continues to grow there are areas of the market that may begin to struggle if consumers begin to increase their saving habits. There is a growing range of eating out venues so pubs and restaurants need to stay innovative.”

– Helen Fricker, Associate ...

Food Packaging Trends - UK

“The spotlight on plastic packaging and its environmental impact will be a key driver of change in the food industry. Consumers’ expectations for sustainable packaging are set to heighten demand for alternative materials. Responding to the shifting demographic backdrop is also vital, given the growing number of small households and ...

Attitudes towards Healthy Eating - UK

“The income squeeze coupled with the perceived expense of healthy food has the potential to curb the

squeezed. Meanwhile, encouraging new dish and cuisine pairings for pasta, rice and noodles remains key to establish new usage occasions and drive volume growth.”

World Cuisines - UK

“Improved ranges, particularly in own-label and in emerging cuisines, are providing a boost to sales. With interest in emerging world cuisines still significantly higher than current at-home eating though, a big opportunity exists for further sales growth through building familiarity with less widely eaten dishes. This includes using promotions and ...

Condiments and Dressings - UK

“Wider trends in the food market, such as consumers’ appetite for emerging cuisines, have impacted usage of condiments/dressings. While this has hit sales of dish-specific sauces, NPД in mayonnaise inspired by hot and spicy flavours has re-energised the segment. Sizeable interest in fermented condiments and a wider availability of ...

Sugar and Gum Confectionery - UK

“With volumes sales of sweets expected to continue to fall, the onus is on companies to encourage trading up within the category. The premium end of the market, however, remains underdeveloped – despite strong consumer demand – creating ripe opportunities for innovation in this area. High quality ingredients, sophisticated flavours ...

overarching healthy eating trend. However, it also opens ripe opportunities for retailers to provide more support for shoppers in making choices which are both healthy and price savvy – doing so should promote ...

Crisps, Savoury Snacks and Nuts - UK

“While enjoyment and indulgence play a key role in the market, health considerations are also affecting it, driving the growth in popcorn, nuts and meat snacks. That half of savoury snack eaters deem snacks made with pulses healthier than potato-based ones suggests scope for further NPД here.”

– Anita ...
