### Peer-to-peer Business Finance - UK

“P2P lending platforms must continue to attract new funding sources and new borrowers. However, achieving both at the same time is not a formality – platforms may have a strong supply of funding available but lack ‘high-quality’ or suitable borrowers, or vice-versa. A slowdown in either of these will affect ...

### Public Expenditure - UK

“The UK government’s strategy remains focused on reducing the national deficit, with a desire to maintain public expenditure while reducing borrowing and boosting economic growth. The government further reduced borrowing in 2018, with this trend set to continue in the coming years, assuming no political change. However, the UK is ...

### Commercial Mortgages - UK

“Commercial borrowing levels recovered in 2017, bolstered by a strong second half of the year, as the market displayed resilience a year on from the lull that followed the EU referendum. This growth came as a surprise to many in the industry given the climate of uncertainty, with fears that ...

### Bridging Loans - UK

“Despite uncertain progress in Brexit negotiations, several stagnant economic growth indicators, and potential interest rate rises over the next year, the industry has performed well in a difficult environment. Whilst some lenders have left the market, others have entered and continue to adapt and cater to borrowers’ specific funding needs ...
