B2B Economic Outlook - UK

“With economic growth likely to weaken in comparison to 2021 and inflationary pressures affecting businesses, both in terms of costs and staff recruitment, it is vital that strategies are in place in order to be able to ride out yet more market disturbances.”

– Lewis Cone, Senior B2B Analyst

Contract Catering - UK

“The reopening of the economy benefited contract caterers, paving the beginning of the market’s recovery in 2021. The year also highlighted the substantial impact of COVID-19 on the sector and its continued susceptibility to the outbreak. This has driven investment into centralised kitchens and digital platforms to adapt services to ...
