Consumers and the Economic Outlook - UK

“The closer we got to the planned Brexit Day, the more worried people became about the impact it’d have on the UK’s economy. With the delay to Brexit, these concerns seem to have melted away. People are far more relaxed about what Brexit will mean for both their own finances

Workplace Pensions - UK

“The success of auto-enrolment has resulted in 10 million workers being introduced to workplace pensions. Minimum contributions have increased without leading to mass opt-outs, but engagement remains vital to secure a comfortable retirement. The impending launch of Pensions Dashboards is expected to simplify visualisation and management, but the government and ...

Equity Release Schemes - UK

“The equity release market has grown strongly over the past several years, and prospects for further growth remain favourable despite the recent slowdown in the housing market. However, in order for the market to reach its full potential, more still needs to be done to address misconceptions that a significant ...
