B2B Economic Outlook - UK

“One of the biggest challenges facing the economy is a surge in inflation. Rising inflation was widely expected to be transitory when global economies reopened in 2021. However, the conflict in Ukraine sent energy prices spiralling, which has raised long-term inflation expectations and increased uncertainty about the post-COVID-19 economic recovery ...

Commercial Banking and Finance - UK

“The financial effects and business disruption of the pandemic have undoubtedly challenged businesses and will continue to scar some for quite some time. While this will lead to increased due diligence, risk aversion and a slowdown in certain types of banking services, it will also encourage business and lender innovation ...
