

January 2022**Consumers and Health Insurance
- UK**

“The UK public and private healthcare sectors continue to face challenges and disruption associated with the coronavirus pandemic. However, the health insurance market stands in a strong position with opportunities for growth in the short and medium term. The pandemic has encouraged consumers to think more about their health and ...

December 2021**Healthy Lifestyles - UK**

“The COVID-19 pandemic has undoubtedly brought the true state of the nation’s health into the limelight. But there remains a considerable disparity between how healthy people perceive themselves to be, and how healthy they really are. This widespread mistaken belief of healthy habits will prove a challenge for the government ...

**Consumers and the Economic
Outlook - UK**

“Rising inflation and concerns about stock shortages have shaken consumers’ sense of financial wellbeing and confidence for the coming year. It is important to place the falls seen on these measures in October in context, however: the vast majority of consumers remain fairly upbeat.
