UK Retail Briefing is a monthly news digest service, which brings together news on companies and their business environments. The coverage is split by sector and supplemented by soundbite-style commentary and opinion. Recent sales figures are given with month-by-month trends for each sector, plus an inflation monitor highlighting key developments ...

Pasta and Pasta-based Meals - UK

Food - UK

Since Mintel's last report, the market can be seen to have rather altered. Chilled pasta is set to overtake dry pasta in value terms in the next 18 months; there has been a revival in frozen ready meals; and chilled ready meals continue to go from strength to strength. Pasta ...

Sugar and Artificial Sweeteners - UK

The market for sugar and artificial sweeteners in the UK is seeing a decline in volume terms but is rising in value terms. Of the two, sugar is by far the biggest sector, accounting for some 84% of sales in volume terms. However, it is posting a notable decline in ...

Celebrity Endorsement - UK

Since Mintel published a report on Celebrity Endorsement in Food & Drink Products in 1999, the multi-channel TV and the UKTV Food channel have grown and developed. These changes have offered celebrity chefs a definite place on many consumers' viewing schedules and rising careers. As effective as it has been ...
