Consumers and the Economic Outlook - Quarterly Update - UK

“Consumers continue to worry about the impact Brexit will have on the UK economy. But people are still focussing much more on their own financial situations, which are currently in a pretty healthy state. The base rate rise will make it harder for some, but the general outlook is positive ...

Consumer Attitudes towards Challenger Brands - UK

“Financial incentives and competitive prices will incentivise people to choose a challenger over an established provider, and give them a clear financial benefit to doing so. However, consumers need help to filter through the growing number of providers to find those that are most relevant to them.”
