### Dining Out: A 2017 Look Ahead - US

"Restaurant sales are predicted to grow at a steady rate with yearly growth near 4% through 2021. Consumers are craving unique experiences, and legacy chains can no longer rely on what's worked in the past, especially as the environment becomes more competitive. Across demographics, consumers still find value in a ...

### Casual Dining - US

"Consumers are increasingly seeking the opportunity to customize their meals, through build-your-own meal options, but they also crave dishes that can't be replicated at home. When it comes to technology, diners are more interested in having their basic needs met, such as free WiFi and electronic chargers, before restaurants offer ...

### Sandwiches, Subs and Wraps - US

"The state of the LSR (limited service restaurant) sandwich market reflects major trends in the LSR industry as a whole. QSR (quick service restaurant) giants such as Subway command the greatest share of sales but are slowly losing business to rapidly growing fast casual concepts. As consumers turn to more ...
