

July 2023**Consumers and Cryptocurrency -
UK**

“There is added caution around cryptocurrency following the high profile collapse of FTX in 2022 and a major market crash. Legal disputes involving leading cryptocurrency exchanges in the US is adding to market uncertainty. Despite this, ownership remains high and intent to buy is strong amongst younger consumers. Long term ...

March 2023**Deposit and Savings Accounts -
UK**

“Despite higher interest rates and increased competition, inflationary pressures are limiting the growth of the market. While consumers are finding it hard to save as a result of the cost of living crisis, there is a scope for savings providers to support them through economic uncertainty.”
