### Credit Monitoring - UK

“Mintel expects more and more people to start using credit scoring services over the coming years. Consumers will continue to be interested in using their own data to help inform financial decisions, especially among younger age groups. As managing finances moves away from a focus on individual products, to a ...

### Consumers and the Economic Outlook - UK

“Concern over the impact of Brexit is more severe than at any other time since Mintel started tracking this measure, including the initial shock in the immediate aftermath of the vote. Theresa May’s withdrawal agreement was the first glimpse of anything resembling certainty since Article 50 was triggered in March ...

### Unsecured Loans - UK

“Broader market forces are impacting the credit sector amid growing uncertainty, which is likely to result in important changes in the availability of and preference for different types of credit. A shift towards structured and affordable borrowing is expected, but if personal loans are to benefit providers must get better ...
