### Consumers and the Economic Outlook Q1 - UK

“Even before the conflict in Ukraine, inflation had become the biggest concern for consumers, brands and the British economy for 2022. Households are set to endure the biggest squeeze on real incomes in decades, and the conflict in Ukraine will only add to existing inflationary pressures. This is seen in ...

### Fashion Accessories - UK

“Fashion accessories are set to make a considerable recovery in 2022, mainly driven by a return in demand for the luxury market. High street specialists continue to struggle, with the market for fashion accessories becoming increasingly fragmented. Accessories retailers must keep up with advances in social media and online purchasing ...

### Underwear - UK

“While consumer spending on underwear, nightwear and loungewear will be impacted by the ‘cost of living squeeze’ and as people reallocate spend to other fashion categories, it will continue to benefit from demand for comfortable items as the shift towards flexible working endures. Growth in the sector will be driven ...
