B2B Economic Outlook - UK

“Latest economic data indicates a rebound in the UK economy, bolstered by the easing of COVID-19 restrictions and the rapid vaccine roll-out. Businesses are also becoming more confident with a number of surveys suggesting improved expectations for economic conditions and investment intentions.

Waste Management and Recycling - UK

“The COVID-19 outbreak has delayed progress of the government’s waste and recycling reforms, which are seen as a much needed framework to reboot recycling and support the shift towards a more circular economy. While there remains a lack of clarity over the final design of proposed measures it’s important that ...
