### Home Insurance - UK

“Home insurers stand to benefit from adding value to their propositions, in a market where price competition remains a major challenge. Policy flexibility and tools to help people calculate the cover they need will appeal to new and existing customers, whilst the growing popularity of smart devices gives insurers an ...

### Consumers and the Economic Outlook - Quarterly Update - UK

“Financial well-being and confidence was lower in each of the three months to October than we reported throughout the summer months. This matches the stagnant economic performance in August and September. Overall though, most consumers are still getting by, and remain relatively optimistic about their financial future.”

### Consumers and Gadget Insurance - UK

“People want to keep their devices for longer and are keen to protect them. Gadget insurance has a strong case in a world of expensive, indispensable technology and sustainable-minded consumers. Simple, relevant products that provide clear value appeal to owners, but insurers also need to find a spot at the ...
