Foodservice - Brazil

“Brazil’s foodservice category has been one of the most impacted by the COVID-19 pandemic and now faces the challenges brought by high food prices and low purchasing power. In this context, the category needs to offer a positive experience regardless of the sales channel – delivery, take away, drive-thru or ...

June 2022**Juice - Brazil**

“The juice market has benefited from consumers’ search for a healthier lifestyle, though the economic crisis pushed preferences toward more affordable brands and categories. The category must offer more economical options without forgetting good health, the main consumption driver.”
