### **Consumers and the Economic Outlook - Quarterly Update - UK**

“The increase in confidence that we discussed in Consumers and the Economic Outlook – UK – March 2018 clearly wasn’t a one-off. Our confidence data has been running for almost a decade now, and people’s assessments, both of their current financial situation and how they expect their finances to shape ...

### **Consumers and Financial Management - UK**

“Open Banking is on the cusp of full implementation, and the financial management landscape feels ripe for a shake-up. That said, many are still comfortable using spreadsheets or paper-based methods, while financial confidence is being undermined by a lack of formal financial education. Providers can step in to provide support ...
