Recruitment - UK

"The recruitment market continued to defy expectations in the past year, overcoming fears of a potential drawback in hiring to further its period of growth. This ongoing air of uncertainty, and the hesitancy introduced, continues to shape activity in the market, primarily through the surging popularity of temporary recruitment. The ...

Conferencing and Events - UK

"The conferencing and events market maintained growth in 2017 despite difficult trading conditions. Whilst the value of the industry is expected to continue along a positive trajectory, the market is likely to face increased pressure over the coming years as operators await the outcome of Brexit negotiations."

Public Expenditure - UK

"The UK government's strategy remains focused on reducing the national deficit, with a desire to maintain public expenditure while reducing borrowing and boosting economic growth. The government further reduced borrowing in 2018, with this trend set to continue in the coming years, assuming no political change. However, the UK is ...
