### Women's Haircare - UK

“Following a slight rise in value in 2016 and 2017, women’s haircare is in decline again as discounting and special offers impact buying behaviours, whilst the desire for more natural styles and focus on hair condition continues to negatively impact the styling segment. A reduction in recorded advertising spend suggests ...

### Mother and Baby BPC - UK

“In 2018 the babies’ and children’s personal care products, nappies and wipes market fell by 3.4% to £680 million. The trend for naturals in beauty has driven parents to look for similar gentle solutions for their babies, expecting brands and retailers to deliver them with the same quality and ...

### Consumers and the Economic Outlook - UK

“Concern over the impact of Brexit is more severe than at any other time since Mintel stated tracking this measure, including the initial shock in the immediate aftermath of the vote. Theresa May’s withdrawal agreement was the first glimpse of anything resembling certainty since Article 50 was triggered in March ...

### Soap, Bath and Shower Products - UK

“Although the soap, bath and shower category is under some pressure, there are plenty of bright spots that point the way towards future growth. The success of Baylis & Harding in convincing consumers to upgrade to a more premium product shows that products can still benefit from creating differentiation in ...

### The Generation X BPC Consumer - UK

“The industry’s focus on anti-ageing messaging towards anyone over the age of 40 has left Generation X feeling misunderstood. Ageing is still considered a future problem for many of these consumers, while their more pressing needs for convenience and personalised options are ignored. Mass brands retain the trust of Generation ...

### Beauty and Personal Care Retailing - UK

“The UK beauty and personal care market continues to be characterised by the polarised performance of the two core categories. Consumers continue to cut back on personal care, but are willing to spend on beauty. Health and beauty specialists have benefited from this trend, with robust demand for beauty fuelling ...

### Feminine Hygiene and Sanitary Protection Products - UK

“The UK’s ageing population has helped to create a fast-growing incontinence products market. That rosy picture doesn’t extend to the sanitary protection and feminine hygiene categories, however. The former is contending with a long-term fall in sales, while the latter is struggling to really convince consumers as to what benefits ...

## Beauty and Personal Care - UK

"The changing nature of wellbeing presents opportunities. While previously consumer focus may have been mainly about the impact of products on the body, we are already starting to see the mind take equal precedence. The inclusion of probiotics, adaptogens and aromatherapy claims to keep the whole body in balance could ...
