

March 2016**Motor Insurance - UK**

"After a period of falling premiums, 2015 saw a sizeable increase in GWP with evidence that further premium increases are likely in 2016. Although those in the industry are likely to welcome the opportunity to boost profits, drivers have become increasingly savvy in recent years when it comes to buying ...

February 2016**Travel Insurance - UK**

"Travel insurance is at risk of becoming synonymous with low cost, low cover policies that fail to meet the needs of customers. Repositioning the product as transparent and helping to educate people would help insurers to stand out from the rest of the market. Opportunities ranging from point-of-departure sales to ...

Critical Illness Cover - UK

"Sales of individual critical illness policies are once again in decline, and overall product penetration is low. Given the ongoing upward pressure on premiums and the already high cost of cover to the individual, turning the market's fortunes around will not be an easy task. Providers need to find new ...
