55岁以上中老年消费者生活方式 - China

再怎么强调55岁以上人群对中国未来经济的重要性都不为过。因而，企业急切需要吸引这一消费市场，进行相应的产品和服务营销。这不仅只是因为55岁以上人群的重要性，也因为他们会影响照顾他们的年轻消费者的购买选择。向55岁以上人群的成功营销可成为企业在激烈的消费市场中生存的竞争优势。

Baby Food and Drink - Brazil

“Similar to trends seen in adult food categories, Brazilian parents are looking for convenient and healthy foods for their children. While homemade baby food remains the most popular day-to-day choice, processed baby food products can leverage their positioning as convenient as a unique selling point.”

Beer - UK

“The market is having greater success with the newer range of sweeter flavoured/alcoholic ginger beers which are typically positioned as gender-neutral and which are equally likely to be drunk by men and women. These continue to offer a route for beer brands to increase usage and make beer more ...

Black Consumers and Personal Care - US

“Black consumers spend a tremendous amount of their discretionary income on looking good, whether we’re talking about apparel, personal care products, or services. The recent recession had little impact on what Black consumers spent in the personal care category. Expenditures have remained stable and in some cases there have been ...

Casinos and Bingo - UK

“Casinos and bingo clubs are very different types of venue on almost every level, yet still face a number of similar challenges, particularly around relationships with their online cousins, their integration of new technology and the lack of understanding of their core gaming products that colours potential customers’ perceptions of ...

Alimentos e Bebidas para Bebês - Brazil

“Em linha com as tendências em alimentação para adultos, os pais brasileiros estão em busca de alimentos convenientes e saudáveis para seus filhos. Enquanto papinhas caseiras seguem como a opção diária de maior preferência, papinhas industrializadas diferenciaram-se através da conveniência, o seu principal posicionamento de vendas.

Beauty Online - UK

“The money saving appeal and convenience of shopping online has resulted in consumers becoming increasingly comfortable on e-commerce platforms. Engaging with consumers and encouraging online shoppers to browse can help the online experience become more appealing than in-store.”

Beer - US

“Undoubtedly, the biggest competitive threat to beer brands is the likelihood that drinkers will opt for wine or spirits instead of beer. This presents beer brands with a challenge to attract drinkers who may otherwise select a different type of alcohol. Doing so will, in part, entail taking a few ...

Budget Airlines Worldwide - International

This report provides an overview and update about the current state of the low-cost or budget airline sector worldwide. The report is structured along geographical lines, since most of the route networks of low-cost carriers (LCCs) are domestic and intra-regional.

Character Merchandising - US

“As the economy is not in its full swing of recovery since the last recession, patronage at mass merchandisers for character-branded purchases become a compelling option in exchange of value. Retailers are becoming more restrictive with the properties they give shelf space for, causing manufacturers to lean toward a few ...

Children's Media - UK

“Access to a tablet - either through the child’s personal ownership or through shared ownership in a house - is steadily increasing, and access to video on demand streaming services will increase alongside. The ultimate success of the services will depend on how they are positioned to parents: positioning as a shared ...

Coffee Houses and Donut Shops - US

“Coffee houses and donut shops have pushed to become lifestyle brands so they can remain relevant through the day and cater to the changing needs of consumers. With coffee houses and donut shops continually adding food items and diversifying their beverage programs, it is increasingly important for them to differentiate ...

Condiments - US

“Competition from away-from-home dining, coupled with consumer health concerns, can potentially hinder future condiment category growth. However, the increasingly blurred lines between condiments, cooking sauces, and dressings present an opportunity for product development, flavor innovation, and the marketing of expanded usage occasions.”

Consumer Payment Preferences - UK

“The introduction of mobile payments on the high street was supposed to lead to a rise in demand for facilitating mobile wallet services. However, there is reason to believe that the order of events may have simply been reversed – it is mobile payments that are the natural progression from ...

Cooking Sauces, Marinades and Dressings - US

“While significant percentages of respondents report that healthful product claims can persuade them to choose one brand of cooking sauce, marinade, dry seasoning mix, or dressing over another, they may not always sacrifice flavor for healthfulness, suggesting that BFY brands should emphasize taste over health claims when marketing.”

Current Accounts - Ireland

Coffee - Ireland

“Coffee’s appeal as part of a morning routine, as a ‘pick-me-up’ or as a treat amongst Irish consumers, is likely to see the category continue to perform well in the coming years. In order to drive growth within the market, brands should look to engage in NPD (New Product Development) ...

Color Cosmetics - Brazil

“With the population rapidly aging, growth opportunities for color cosmetics products lie in creating products with additional benefits aimed to the more mature consumer. Consulting Engineers (Industrial Report) - UK

“There are now tentative signs of more favourable market conditions for UK consulting engineers, which have been negatively affected by the economic downturn in recent years. The rail sector continues to offer strong growth potential through major projects, such as Crossrail.”

Consumers and General Insurance - UK

“Loyalty or reward schemes could help to improve customer retention. However, Mintel’s research suggests that an annual reduction in premiums is much more likely to drive loyalty than an elaborate rewards programme or discount scheme.”

Cooking Sauces, Pasta Sauces and Stocks - UK

“Slow-simmered pasta sauces offer another potential means of supporting growth in the Italian sector, as 28% of users state they would pay more for these, despite them being largely absent in the UK market. This slow-cooking method for pasta sauce has connotations of authentic cooking, and is well-placed to appeal ...

Digital Trends Winter - UK

“The current account market, in particular that of RoI, suffers from a lack of competition, with Irish consumers recognising this. Reluctance to switch current account providers may have more to do with the inconvenience of the process rather than brand loyalty. Moving forward, new legislation to make account switching easier ...

Entertainment Venues - US

“Live Nation and AEG have emerged as the dominant forces in live entertainment by controlling all aspects of the value chain. Yet, ticket prices have increased while ticket sales have remained relatively flat. There are opportunities for new business models to emerge to reduce ticket prices and increase attendance and ...
