

## July 2021

### Recruitment - UK

“Recruitment plays a critical role in matching skills with the businesses in need of them. The pandemic and ensuing social distancing measures heavily impacted demand for recruitment, as businesses shelved hiring plans in reaction to the severe rise in uncertainty. As the economy has adjusted, vacancies have rebounded rapidly and ...

## June 2021

### B2B Economic Outlook - UK

“Latest economic data indicates a rebound in the UK economy, bolstered by the easing of COVID-19 restrictions and the rapid vaccine roll-out. Businesses are also becoming more confident with a number of surveys suggesting improved expectations for economic conditions and investment intentions.

## May 2021

### Legal Services - UK

“Technology adoption and innovation will play a key role in ensuring that legal services firms thrive in an ever-changing market landscape.

Corporate clients will continue to squeeze margins while demanding faster turnaround times and greater use of innovation, which puts pressure on legal services firms to embrace ongoing innovation and ...

### Courier & Express Delivery - UK

“The coronavirus crisis drove a meteoric rise in online shopping as a result of lockdown and social-distancing measures that were enacted in response to it. The surge in demand has placed couriers and delivery operators under immense pressure as they look to maintain service quality, and also contribute to solving ...
