

**August 2018****Consumers and the Economic Outlook - Quarterly Update - UK**

"Consumers continue to worry about the impact Brexit will have on the UK economy. But people are still focussing much more on their own financial situations, which are currently in a pretty healthy state. The base rate rise will make it harder for some, but the general outlook is positive ...

**July 2018****Whole-of-Life Insurance - UK**

"The whole-of-life market has experienced a difficult period over the past five years but there are signs that this may be coming to an end. A large portion of over-50s have little in the way of savings, providing an opportunity for insurers to provide a cheap route to providing security ...

**Pet Insurance - UK**

"The pet insurance market is enjoying another positive year, with growth projected to continue in the medium term. Pet owners are keen to ensure they have enough cover to take care of their animals, while the rising cost of vet bills makes insurance increasingly attractive. Innovative insurers have an opportunity ...
