

March 2021**B2B Economic Outlook - UK**

“The tentative dates set by the government to reopen the economy over the coming months provide hope that businesses are over the worst that the pandemic has brought them financially. However, it will still take time for things to return to pre-pandemic levels with businesses likely to still need support ...

**Accounting and Financial
Management - UK**

“Accountants have emerged as valuable and trusted advisors to their clients during the COVID-19 crisis, with many companies relying on their accountants for advice on navigating the complexities of government support schemes and cash flow advice to help them stay afloat. While accountants have inevitably been giving their clients free ...

February 2021**B2B Insurance - UK**

“Many small and medium-sized businesses have been significantly hit by the pandemic. Insurers’ sector and business expertise can help their clients stabilise operations and, in the process, help stabilise their own commercial insurance line of business.”

**Commercial Banking and Finance
- UK**

“Whilst current lending trends are being driven by the government-backed support schemes, once these end, banks will turn to focus on their loan books and are likely to become more restrictive in their lending to certain areas, which will provide an opportunity for alternative lenders to further increase their presence ...
