### Consumers and the Economic Outlook - Quarterly Update - UK

“The increase in confidence that we discussed in Consumers and the Economic Outlook – UK – March 2018 clearly wasn’t a one-off. Our confidence data has been running for almost a decade now, and people’s assessments, both of their current financial situation and how they expect their finances to shape ...

### Term Assurance - UK

“Life insurers are working hard to engage consumers and broaden the appeal of their products. Despite their best efforts, large swathes of people still have no life cover, and yet Mintel’s research shows there is considerable latent demand among the non-insured. Substantially increasing product take-up – by effectively nudging more ...
