### European Retail Rankings - Europe

The European Retail Rankings focusses on the leading retailers in Europe and puts them in perspective. This is a report where the numbers are all important, though we also give some background information both by sector and by country. We provide a three-year record of the main statistics (in so ...

### European Retail Handbook - Europe

This is the 22nd edition of the European Retail Handbook. It provides basic data about all the major European countries, their economies and their retail sectors. The handbook complements Mintel's major sector reviews, such as DIY, Supermarkets and Clothing, adding more detail and information about smaller economies.

## August 2018

### Luxury Goods Retail - International

"The global luxury goods industry is going through a significant period of change. As young consumers are fast becoming key purchasers of high-end fashion, luxury houses need to adapt. This has resulted in polarised performances amongst the leading players. Those that were slower to respond have lost market share, whilst ...

### New Retail - China

"New Retail is fast becoming the driving force behind the development of China's consumer market, drawing together all aspects of people's consuming lifestyles, and fundamentally changing the relationship between retailers, brands and consumers. Shopping is fast integrating with all areas of consumer activity, and with most consumer service aspects, combining ...

### UK Retail Rankings - UK

The retail sector appears to be in turmoil. There has been an unprecedented number of failures or retailers reported to be in trouble just in the first quarter of 2018. It would be easy to go on to say that the whole retail sector, and particularly the store-based ...
