

April 2021**Online Grocery Retailing - UK**

“Online grocery was not just the leading growth area in the grocery sector in 2020, but across all of UK retail. A combination of consumer concern and greater in-home food and drink demand served to not only see the channel record growth during the periods of lockdown but throughout the ...

March 2021**Broadband and Bundled Communications Services - UK**

“Broadband connections have provided a vital service to consumers throughout the pandemic, underpinning both work and entertainment activities. As a result, COVID-19 is likely to be a catalyst driving engagement with their broadband service and some will look to future-proof their connections by upgrading to contracts with faster speeds. Despite ...

February 2021**Amazon: Influence and Ambition in the Grocery Sector - UK**

“As the online retail market leader, Amazon was in a better position than most to capitalise on the heightened online demand that COVID-19 has brought. It has certainly done so, growing at its fastest pace since 2013, and being viewed as an essential service during the pandemic by a majority ...

Virtual Reality: Inc Impact of COVID-19 - UK

“Converting interest into purchases remains a key challenge for the virtual reality market. A potential audience to look at to resolve this is Older Millennials as they have shown greater interest than others in buying headsets since COVID-19. With this age group also being engaged by artistic performances in VR ...
