The Connected Home: Inc Impact of COVID-19 - UK

"Voice-controlled speakers continue to be the fastest-growing smart home product and consumers had greater incentive to buy smart displays during the early stages of the COVID-19 lockdown. People show high interest in smart security, and focusing on their potential to aid easier deliveries can help demonstrate their value for everyday ...

The Impact of COVID-19 on Retail and Ecommerce - UK

"The COVID-19 outbreak is an unprecedented event which has far reaching ramifications for the retail landscape. It will accelerate the underlying trends of the past decade: greater online penetration, physical space consolidation and, unfortunately, business failures. However born alongside this will be a greater appreciation for the importance of the ...

Garden Products Retailing: Inc Impact of COVID-19 - UK

"Garden product retailing continues to evolve with the loss of market leader, Wyevale, from the garden sector being balanced out by the expansion of a number of other aspirational chains such as Dobbies, British Garden Centres and Blue Diamond. Going forward those operating outside of the horticulture market continue to ...
