Baby Boomers and Financial Services - UK

“While younger generations seem to generally be more trusting towards the financial services industry, Baby Boomers are more sceptical. Their views are tainted by witnessing some of the most notorious financial scandals of the last few decades, including the rise and fall of endowment mortgages and the mis-selling of pensions ...

Consumers and the Economic Outlook: Quarterly Update - UK

“The generally positive outlook of the economic climate, and the benefits that are gradually being witnessed at the individual level, means that the people of Britain are finally regaining their confidence. For the first time since the economic downturn, Mintel’s data shows that more people feel better off compared to ...
