“COVID-19 proved to be particularly challenging for suncare, with usage occasions severely impacted. Although demand is expected to resume in the longer term as consumers get back to normality, the pandemic has highlighted the category’s reliance on factors that brands cannot control for repeat purchase. Blurring the line between suncare ...

**December 2020****Consumers and the Economic Outlook: Inc Impact of COVID-19 - UK**

“The November lockdown of England will bring the already fragile economic recovery to a sharp halt. The Office of Budget Responsibility expects the UK’s economic output to fall by 11.3% over the course of the year, before growing by 5.5% in 2021, and finally recovering to pre-COVID levels ...

**Healthy Lifestyles: Inc Impact of COVID-19 - UK**

“The COVID-19 pandemic has brought the true state of the nation’s health into unprecedented focus. With the majority of people still considering themselves either average or somewhat healthy, however, the new government strategy is commencing from a difficult starting point. Opportunities lie in providing mood boost ideas for an increasingly ...

**October 2020****Children's Healthcare: Inc Impact of COVID-19 - UK**

“The children’s healthcare category saw strong growth of 4% to £194 million in 2019, as parents prioritised quality and invested in higher-value branded remedies rather than own-label products. With the pandemic driving a focus on health and wellbeing, the category is set to continue to see strong value growth in ...
