

March 2011**Fashion Online - UK**

The growth rate of broadband penetration has slowed over the last few years after having nearly doubled between 2005 and 2010. Nearly seven in ten adults currently surf the web via a high-speed connection. While this will have an inevitable impact on the future growth of the online fashion market ...

Department Store Retailing - UK

The department store sector is mature and has consolidated significantly in the last decade as the weakest players failed to compete effectively in today's marketplace. Mintel estimates that sector sales (based on statutory revenues) were worth £13.7 billion incl. VAT in 2010.

Underwear - UK

While the majority of women favour basic and plain styles of underwear and men tend to always opt for the same styles they always wear, the underwear market is still strongly influenced by fashion. Innovation in fabrics and new designs are strong drivers of sales in the underwear market, with ...

January 2011**Childrenswear - UK**

The childrenswear sector enjoyed only modest growth in sales in 2010, driven by a 1.6% rise in newborns and infants. The growing influence of supermarkets and value retailers, however, has depressed the prices of baby and children's clothing, making it harder for other retailers, particularly independent childrenswear stores, to ...
