**Consumers and the Economic Outlook - Quarterly Update - UK**

“Consumers continue to worry about the impact Brexit will have on the UK economy. But people are still focussing much more on their own financial situations, which are currently in a pretty healthy state. The base rate rise will make it harder for some, but the general outlook is positive ...

**Airlines - UK**

“Airlines face some challenging times over the next few years as Brexit approaches and fuel costs rise. While businesses are cutting back on travel, consumers are still hungry for holidays. However, they will be keeping an eye on spending as the Pound remains weak. Airlines that help consumers manage their ...

**Short and City Breaks - UK**

“There is growing potential for ‘me-time’ holidays that allow travellers to pursue their personal interests. These could be trips that enable those in couples to have a short break away from their partner or family in the company of friends, or even by themselves.”

**Business Traveller - UK**

“Businesses are cutting back on travel in light of uncertainty surrounding Brexit and the impact of a weak pound. Airline GDS fees and new GDPR regulations are also making life more difficult for British-based companies. However, there are opportunities for larger TMCs to develop products that help businesses save money ...
