

August 2023**Digestive Health - US**

“Symptomatic treatments for occasional issues will remain core to the market. Though digestive health is widely understood to be a vital piece of overall wellbeing, category players must work toward elevating the importance of proactive gastrointestinal maintenance which will aid in supporting other areas of holistic health. Blurring the lines ...

OTC Pain Management - US

“The vast majority of consumers deal with pain on a regular basis, and often turn to familiar OTC products. Pain is a constant that is not slated to decline. To meet diverse consumers in their quest to address pain symptoms, while also improving overall wellness, it will be crucial to ...

July 2023**Consumers and the Economic
Outlook - US**

“The economic sentiment for most of last year was that the US was headed towards a downturn, as inflation ran rampant in tandem with quickly rising interest rates. Over a year from when prices peaked at a more than 40-year high, however, the US economy has continued to defy the ...
