

**September 2019**

### **Air Care - UK**

“The air care market is facing a paradigm shift away from being a functional category, and towards one more closely aligned with the wellbeing sector. Supporting consumers by being more transparent about products and innovating to cater to emotional desires will help brands achieve a superior consumer connect and stand ...

### **Consumers and the Economic Outlook - UK**

“It is a confusing time for the British public. The new Government has been unable to agree a Brexit deal with the EU and Parliament has passed legislation obliging the Prime Minister to request a further extension if he cannot get one. Despite this, Boris Johnson has maintained his stance ...

### **Shopping for Household Care Products - UK**

“Shopping for household care products is largely planned in advance, and is done alongside groceries, rather than in its own right. The way that consumers shop lacks imagination and the market suffers as a result. Brands and retailers need to try to encourage more of an attitude that shopping for ...
